

UNIVERSAL WASTE AND HOUSEHOLD HAZARDOUS WASTE DISPOSAL

Universal Waste Disposal Days at EMR (the dump) are held on the second Saturday of each month from 9am – 1pm.

Universal Waste (UW)

- Batteries, Rechargeable Batteries
- Fluorescent Bulbs
- Television/Computer Monitors
- Mercury-Containing Thermostats & Thermometers

EMR does not accept Household Hazardous Waste. Acadia Disposal District holds an annual MDI Regional Collection Day once a year at a date and location to be announced. In 2009, the Collection was held at the Tremont Town Offices. Both Tremont and Southwest Harbor are members of ADD.

Household Hazardous Waste (HHW)

- Waste Automobile Oil/Gasoline
 - Oil Based Paint, Turpentine/Varnish (no latex paint!)
 - Brake Fluid
 - Paint Remover/Thinners
 - Charcoal Lighter Fluid
 - Pool & Photo Chemicals
 - Used Antifreeze
 - Transmission Fluid
 - Adhesives/Solvents
 - Oven/Drain Cleaners
 - Fungicides/Herbicides/Pesticides
 - Battery Acid & Muriatic Acid
-
- Waste Automobile Oil/Gasoline
 - Linseed Oil
